## PP's 21st November - Christ the King

Why has the Feast of Christ the King, which apparently originated as recently as 1925, risen to such prominence?

Only a few years after the First World War when fascism and dictatorships posed a serious threat, Pope Pius XI in 1925 inaugurated a new festival in honour of the Kingship of Christ. Today concludes the Christian year with a celebration that focuses on Christ as glorified Lord and King - a powerful reminder that praise his Kingship as the theme of the calendar. Many times it has been pointed out that every Sunday, is really designated as a day of Christ the King. In addition, it brings the cycle of the liturgical year to an end, but looks forward to its turning again on Advent Sunday.

The spirituality of this festival must never be forgotten or understated. No one recognised this more than Henri Nouwen in his *Sabbatical Journey*:

"on the last Sunday of the liturgical year, Christ is presented to us as the King on the Cross as well of the King of the universe. All through the year we have to stay close to the humiliation as well as to the victory of Christ, because we are called to live both in our own daily lives."

Blessings

Fr. Bill

## CHRIST THE KING

2 Samuel 23.1-7; Psalm 132.1-12;  
Revelation 1.4b-8; John 18.33-37

"So, you are a king?"

Pilate asks Jesus this question, soldiers placed a crown of thorns on Jesus' head, and hailed him as king. The text above Jesus' head on the cross stated: "Jesus of Nazareth, the King of the Jews". What say you? He came to teach God's love, he offered his life to save our life, what say you? Is Christ your King?

Pray that others may see and welcome Christ the King into their hearts also.

Give thanks for the work and witness of the Anglican Church of Kenya.
